## **AUDITORS REPORT TO THE BOARD OF ASSOCIATION RAINBOW**

Aleksandar Prica, Executive Director Association  
Duga  
Šabac

Dear Mr. Prica,

### **Opinion**

We have audited the accompanying financial statements of the Association Duga, Šabac (hereinafter: the Association) which comprise the balance sheet as of December 31, 2020, and the income statement for the year ending on that day.

In our opinion, the accompanying financial statements presents fairly, in all material matters, the financial position of the Association as of December 31, 2020, as well as the results of its operations, for the year ended on that date, in accordance with the accounting regulations in force. in the Republic of Serbia and the accounting policies disclosed in the Auditor's Notes to the financial statements.

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Responsibilities of the Auditor to audit the Financial Statement* section of our report. We are independent of the Association in accordance with the Ethics Code of Professional Accountants of the International Ethics Standards Board for Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter**

The Association keeps its record and prepares its financial statements based on the accrual accounting base of business changes and transactions, in accordance with the Law on Accounting of Republic of Serbia ("Official Gazette of Republic of Serbia" 62/2013; 30/2018;73/2019) and the Rule book on the manner of recognition, evaluation, presentation and disclosure of positions in the individual financial statements of micro and other legal entities ("Official Gazette of the Republic of Serbia"; 118/2013; 95/2014; 89/2020) and is obligated to prepare and submit basic financial statements, consisted of: Balance Sheet and Profit and loss statement.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and for those internal controls that it determines are necessary for the preparation of financial statements that do not contain material misstatements resulting from criminal activity or error. In preparing the financial statements, management is responsible for assessing the ability of the Association to continue as a going concern, disclosing, as appropriate, matters relating to business continuity and applying the going concern principle as an accounting basis, unless management intends to liquidate the Association. or to suspend business, or has no real possibility other than to do so. The persons authorized to manage are responsible for overseeing the financial reporting process of the Association.

## **AUDITORS REPORT TO THE BOARD OF ASSOCIATION RAINBOW (continued)**

### **Responsibilities of the Auditor to audit the Financial Report**

Our objectives are to obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance to ISAs will always detect a material misstatement when it exists.

Misstatements may arise from fraud or error and are considered material if, individually or as a whole, they could influence the economic decisions of users taken on the basis of this financial statement.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We identify and measure the risks of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting material misstatements resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

We have an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Implementing Partner s Internal control.

We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.

We evaluate the overall presentation, structure and content of the financial statement, including the disclosures, and whether the financial statement represents the underlying transactions and events in a manner that achieves fair presentation.

Belgrade, April 15,2021

Certified Auditor

## NOTES TO FINANCIAL STATEMENTS

December 31, 2020.

### 2. BASIS OF PREPARATION OF THE FINANCIAL STATEMENTS

#### 1.2.1 Basis of preparation

The financial statements of the Association have been prepared in accordance with the Law on Accounting rules and laws of the Republic of Serbia and a Rulebook on the manner of recognition, evaluation, presentation and disclosure of positions in the individual financial statements of micro and other legal entities ("Official Gazette of the Republic of Serbia"; 118/2013; 95/2014;89/2020); in order to provide a true and fair presentation of the balance sheet positions, balance of assets, liabilities, sources of assets, income and expenses and the operating results.

The Association's financial statements are presented in Serbian Dinars ("RSD"). All amounts in the financial statements and related notes are presented in Dinars, unless otherwise stated.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies applied in the preparation of the financial statements are presented further in this report. The Association is requested to apply the accounting policies consistently.

#### 2.1 Recognition of income and expenses

The recognition of the income and expenses is in accordance with the accounting base of modified occurrence of business changes and transactions.

According to the accounting base for the modified occurrence of business changes and transactions, the revenues are recognized in the accounting period in which they have occurred according to the criteria of measurability and availability. Revenues are earned when are generated in the accounting period and are used to cover the liabilities related to that accounting period.

According to the accounting base for the modified occurrence of business changes and transactions, expenses are recognized in the accounting period in which have occurred. Expenses for used short-term assets are recognized in the moment and in the amount of the actual cost incurred.

Income from rendering services is recognized during the period in which customers paid for the delivered services.

Government income receivables that do not impose the conditions on the recipient related to certain future results are recognized as income in the case of recognizing claims based on benefits. Income from government benefits that impose on the recipient the conditions related to certain future results are recognized as income only when the conditions for the results are met.

Income from the activation of effects is considered as income from the transfer of own products to supplies of goods for further sale.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2020.**

**3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**3.1 Recognition of income and expenses (continued)**

Costs of direct materials and goods sold are valued and recognized at cost. Wage costs are recorded in the amount of actually accrued earnings. Other operating expenses are recognized at the invoice value, that is, the values determined on the basis of the accounting document.

**3.2 Foreign Exchange Transaction**

Transactions denominated in foreign currencies have been translated into Dinars at the rates set by the National Bank of the Republic of Serbia applicable at the date of each transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the end of the reporting period using official rates of exchange ruling on that date.

Net foreign exchange gains or losses resulting from foreign currency translation are included in the income and expense statement in the period in which they arise.

**3.3 Taxation**

According to the Law on Corporate Income Tax, non-profit organizations are exempt from paying income tax, if the surplus of income does not exceed 400.000 RSD, provided that:

does not distribute the realized surplus to its founders, members, directors, employees or persons

the annual amount of personal income that is paid to the employees, directors and persons related to them is not more than twice the average annual salary per employee in the Republic in the year for which the right to tax exemption is determined, according to the data of the republic authority responsible for statistics;

does not distribute assets for the benefit of its founders, members, directors, employees or persons

that there is no monopolistic or dominant position on the market in the sense of the law regulating

Current income tax is paid to nondeductible expenses. The income tax rate for 2020 is 15%.

The non-profit organization is obliged to keep records of revenues and expenditures, to submit a tax balance and a tax return.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2020.

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### 3.4 Property, plant and equipment

Property, plant and equipment, are recorded at cost value. The cost value of the equipment comprises of the purchase price plus import duties, value added tax, cost of transportation and all other expenses directly attributable to the cost value i.e. to the purchase cost. The value of purchased assets is presented as an expense at the time of purchase with increasing the business fund of the Association. Tangible and intangible assets are depreciated on a straight-line basis so that the cost or revaluation value of the fixed assets is depreciated in equal annual amounts over their estimated useful lives.

Depreciation of property fixed assets calculated using the straight-line method to allocate its cost over its estimated useful life. Calculation of depreciation commences in a month following the month when the asset was put in use.

The depreciation charge for the year is recorded on the business fund accounts.

The annual depreciation rates applied are the following:

Property: 2,5%

Equipment: 15%

#### 3.5 Cash and cash equivalents

Cash and cash equivalents comprise from cash in hand and cash on bank accounts in commercial banks. Cash in hand and cash on bank accounts in Serbian Dinars are recorded at their nominal value, and cash in foreign currencies is translated according to the foreign exchange rate of the Central Bank of the Republic of Serbia on the reporting date.

**NOTES TO FINANCIAL STATEMENTS**

**December 31, 2020.**

**3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**3.6 Trade payables and other liabilities**

Trade payables and other liabilities are stated at fair value on initial recognition and subsequently measured at amortized cost.

**3.7 Going concern principle**

The financial statements of the Association Rainbow are prepared by applying the going concern principle.
